1. Communication

LIBERUP SPÓŁKA Z OGRANICZONĄ ODPOWIEDZIALNOŚCIĄ is the controller for data used by LiberUp for publishing and contact handling. Profiles publish news. Visible profile information, comments and messages support communication and moderation of our space. Do not publicly share account or payment information, client files or KSeF secrets; contact contact@liberup.pl instead.

Following a profile does not subscribe you to a newsletter. The liberup.pl website links to platforms without pixels or embedded players. After following a link, the platform's own processing information also applies.

2. Rights and platform roles

The LiberUp Privacy policy provides purposes, legal bases, retention and rights. A request to LiberUp does not automatically erase platform data retained for its own purposes. Facebook Page and Instagram statistics and any joint controllership must be established from the actual configuration and Insights terms before an effective version is approved.
